Re: Philanthropic Grant to Heritage Place of Indianapolis, Inc.

Dear Ms. Schroeder:

This letter is in response to your November 6, 2009 request for support from the Universal American Corp to support both the Seniors Companion Program where mobile seniors visit other homebound seniors in their homes and computer training for 120 older adults. We are pleased to support your important work and grant Heritage Place of Indianapolis, Inc. \$10,000 for the purposes described in your November 6th proposal.

Upon receipt of an executed copy of this letter by December 15, 2009, we will forward a check in the amount of \$10,000 to Heritage Place of Indianapolis, Inc.. Heritage Place of Indianapolis, Inc. will submit a progress report six months from receipt of the grant and a final report detailing the number of people served through both programs. A brief description of the impact this service had on the individual and the community's well-being would be appreciated. This report should not include any personal information or identifying information that would violate any privacy rights.

At the time of the final report, Heritage Place of Indianapolis, Inc., if appropriate, can request additional financial support of this project. Please return two signed copies of this letter and a copy of your organization's 501c3 letter to:

Robert M. Hayes
Senior Vice President, Health Quality
