

Best Available Evidence (BAE) Checklist

Best Available Evidence is a document that shows you qualify for Low Income Subsidy Assistance. Once Universal American validates your Low Income Subsidy eligibility, we will update your status as quickly as possible. Please send a **copy** of one or more documents from this checklist, and indicate the documents that you are sending by selecting them on the list below. Include this checklist with **copies** of your (BAE) Best Available Evidence documents.

- Medicaid card that includes name and eligibility date
- Social Security Administration (SSA) award letter to determine eligibility for full or partial subsidy
- Screen print from your state's Medicaid systems that shows Medicaid paid for a stay of at least a full calendar month at an institution
- A state document or electronic enrollment file that confirms active Medicaid status
- State document showing Medicaid payment for a full calendar month
- Screen print from your state's Medicaid systems showing Medicaid status
- Other documentation provided by your state showing Medicaid status

Fax or mail the **copies** of your Best Available Evidence along with this checklist to us.
